

## Wintersloe School, Wake Green Road

Wintersloe was a boys' school in Wake Green Road and The Wintersloe Magazines, Issues LVII - LXI, reveal much about the effects of the war on the school and its pupils.

All the names below appear on the Roll of Honour printed on page 16 of Issue LXI of 'The Wintersloe Magazine', which lists 18 old boys out of the 70 known to have enlisted. This amounts to 25% killed in action from just one Moseley School

Note: The dates on the Roll of Honour relate to the years the boys attended the school.
