STRUCTURE, GOVERNANCE AND MANAGEMENT

The Moseley Society was established by a constitution in 1979 and was registered as a charity on 13 January 1982, no. 512211.

Trustees are appointed at the Annual General Meeting. The executive committee, the members of which are the charity's Trustees for the purpose of charity law, may appoint up to three additional members to fill vacancies between General Meetings.

OBJECTIVES AND ACTIVITIES

The objects of the charity, as set out in the constitution, are:

- to promote high standards of planning and architecture in or affecting Moseley;
- to educate the public in the geography, history, natural history and architecture of Moseley;
- and to secure the preservation, protection, development and improvement of features of historic or public interest in Moseley.

The Trustees seek to achieve the above objects by continuing to maintain a consistently high level of activity. The committee meets regularly, supplemented by sub-groups formed to address issues related to

- Planning and licensing;
- Moseley Hall dovecote and icehouse;
- Communications and marketing;

- The programme of meetings and events;
- Membership;
- Moseley history.

In addition ad hoc meetings are sometimes arranged to pursue particular projects.

Although the majority of the work is carried out by Trustees, other members of The Society and representatives of other organisations may also be involved.

ACHIEVEMENTS AND PERFORMANCE

The Trustees seek to promote high standards of planning and architecture in or affecting Moseley in a number of ways, including

- We monitor planning and licensing applications and respond according to an agreed set of guidelines which are distributed to members and published and available to all via our website. Developments taking place in the area are monitored to ensure they are built and operated in accordance with planning or licensing permissions, and enforcement action is sought against contraventions of regulations.
- The Special Licensing Policy covering the centre of Moseley has continued to have an effect in reducing the number of new licensing applications, although existing licensed premises with permission to be open until 2 a.m. do have a considerable impact on the lives of Moseley residents. The Society has commented on the Draft revised Statement of Licensing Policy, in support of the request from West Midlands Police for retention of the Special 'Cumulative Impact' Policy for Moseley.
- We send a representative to Birmingham City Council's Planning Management User Forum. Representatives also attend meetings of the West Midlands Amenities Societies Association. At these meetings regional and national planning and licensing issues are discussed, and knowledge gained relevant to matters of local interest.
- We send representatives to the Moseley Regeneration Group, a body that is organised by the Moseley Community Development Trust and includes representatives from a wide range of organisations. We are glad that the 'Moseley Action Plan' was officially adopted in 2014 – the first example of a community-led Supplementary Planning Document in the city.

The Trustees seek to educate the public in the geography, history, natural history and architecture of Moseley in a number of ways, including

- We organise a regular programme of lectures and activities, the majority of which are directly related to these topics and which are advertised and open to members of the public free of charge.
- The Moseley history group has continued to meet regularly, hold public meetings and to conduct research including Moseley during WW1 and on 'Moseley Now and Then'.
- The distribution of publications produced by the local history group and its predecessor Local History Society and of guided walk leaflets produced by a Trustee. In addition the Society continues to sell copies of the 'Architectural History of Moseley' poster.
- By leading guided walks which are either free of charge, or for which the cost of the walk leaflet is levied. Such walks take place during the Moseley Festival and for organised groups visiting the area and interested to learn

more about 'the geography, history, natural history and architecture of Moseley'.

The Trustees seek to secure the preservation, protection, development and improvement of features of historic or public interest in Moseley in a number of ways, including

- Continuing to preserve and maintain the Moseley Hall Icehouse, Dovecote and Cow House. These listed buildings are opened to the public free of charge once a month during the warmer half of the year and on other special occasions or for individuals or groups that ask to visit. We have produced postcards and a Christmas card of the dovecote which are increasing interest in the building. During festivals in Moseley Park the ice house is open free of charge and is visited by hundreds of festival-goers, some of whom have travelled from a wide area or from overseas. Both buildings continue to fascinate visitors – the word heard repeatedly in the icehouse is 'Wow'. We also opened the buildings for Heritage Open Days and attracted many visitors. The icehouse is opened in conjunction with Moseley Park & Pool Trust and 200 people visited during the Heritage Open Days afternoon.
- Continuing work on the 18th century style garden that has been created and established at the Moseley Hall Dovecote and Cow House. Regular maintenance work has ensured that the garden continues to improve and it is now visited regularly by hospital staff, patients and visitors as well as passers-by. The small pond is flourishing and the compost bays are exemplary. The garden is included at the Moseley in Bloom Open Garden weekend and on judging routes and we know from the comments how much the garden is appreciated.
- We send representatives to meetings of the Birmingham Heritage Forum where issues affecting all heritage sites in the city are discussed and advice is available and knowledge shared.
- The Trustees consider matters of public interest that affect all of Moseley's residents by supporting and by sending representatives to the Moseley Community Development Trust, the Moseley Forum, The Moseley and Kings Heath Ward Committee and its successor body the 'Moseley & Kings Heath Community Partnership' and its Greener, Cleaner, Safer Environment Group.
- The Trustees maintain a close link with the Board of the Moseley Park and Pool Trust and with Moseley in Bloom.
- The Society continues to organise a monthly clean-up session in the local public car park.
- A newsletter is produced to keep members informed, and it is also available at local information points and via the website.

PUBLIC BENEFIT

The Trustees are aware of the Charity Commission advice on benefit to the public. They have always sought to act in the long-term interests of all local residents and not just the paid-up members of The Society. Membership fees are charged in order to enable The Society to meet its modest running costs, and its activities provide a public benefit because:

- the icehouse and dovecote are regularly opened to the public and provide education on local history;

- the car park is cleaned monthly and this is a major environmental improvement for residents;
- The Society reviews all significant planning applications in the area and when asked, gives advice to members and others about planning matters and, if necessary, the objection process. This leads to enhancement of our conservation areas and to public enjoyment of the local architectural heritage;
- We are available to advise on new developments at the planning stage and seek to ensure that the new buildings complement or enhance the existing ones and consequently improve the built environment for the benefit of all. This process usually takes place through the Regeneration Group organised by Moseley Community Development Trust and while all the groups involved reserve their right to make individual comments, there is also an opportunity for developers to gain a consensus view from most of the active groups in the area.

Being volunteers, we have not taken the time to calculate the number of hours of work devoted to Society activities by its Trustees and members each year, but a very considerable amount of time is devoted in this way for the public benefit.

FINANCIAL REVIEW

The attached accounts show the charity's financial activities during the year. The restricted fund for the local history archive project includes grants received for specific projects. We are grateful to the Moseley Community Development Trust for their help, advice and support for the history group.

Our activities are greatly helped by the large number of volunteers who readily give their time in a number of ways which means that we are able to keep expenses and overheads to a minimum.

It is our policy to maintain unrestricted funds, which are the available reserves of the charity, at a level which provides sufficient funds to cover foreseeable future costs.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The Trustees are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity Law in England and Wales requires the Trustees to prepare financial statements for each year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements the Trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgements and estimates that are reasonable and prudent;
- (c) state whether applicable accounting standards of recommended practice have been followed subject to any departures disclosed and explained in the financial statements,
- (d) prepare the financial statements on the going concern basis unless it is

inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
