The Moseley History Group meets informally on Thursday mornings at the All Services Club, Church Road, to work on projects. All are welcome to visit, to assist with our work or carry out their own research. Contact us by email at moseleyhistory@gmail.com or use the contact information below to make enquiries.

Moseley Hall Dovecote at the entrance to Moseley Hall Hospital and the Icehouse in Moseley Park will be open monthly between April and September. The openings are between 1 – 4 pm, usually on Farmers' Market Saturdays.

In addition to opening the dovecote, we have created an 18C style garden nearby. We welcome volunteers to help maintain this on the first and third Sunday mornings of each month.
