## THE MOSELEY SOCIETY

Caring for an historic area of Birmingham

Charity no. 512211

30 April 2020

Dear Members,

At an online meeting of the Committee held on 27 April, a decision was taken to cancel the AGM in 2020.

The current committee is willing to continue in office and the list of current committee members is attached. We would be glad to welcome new committee members. If you would be interested in finding out more about what is involved, please use the attached list to either send an email to the Secretary or speak to one of the Co-Chairs. One way to get involved is to join one of the sub-groups.

The Report and Accounts to 31 December 2019 were approved by the Trustees on 9 March and the Annual Return to the Charity Commission has been completed. The Minutes of the last AGM and the Report and Accounts are attached.

A shortened version of the Annual Review will be circulated soon – looking back to the year that is past, and forward to what is likely to be a challenging year ahead. At present The Moseley Society Committee and the specialist sub-groups are busy trying to maintain as many of our usual activities as possible. These include responding to planning and licensing applications, caring for the dovecote garden and sharing information with our members. The value of a membership organisation has been evident by how quickly volunteers were found to help support Moseley Together and the sharing of useful information for the wider community. We would like to come out of the current crisis as a larger and even more active Civic Society and that is why we would like your help to recruit some additional, and younger, committee members now.

Fiona Adams  
Secretary
