4. BBC article, 5 years on, 2010: 'The _____ lasted just a few minutes but caused an estimated _____ of damage in the Moseley, Kings Heath (areas of the city).'

ROUND 5- Avoid the quizmaster's answers

Give 3 correct answers to each question below to get 3 points.

However, I've written 3 of the most obvious answers to each question (found on the answer sheet.)

If any of your answers are incorrect or match any of mine, you get 0 points for that question.

My 'obvious' answers are admittedly subjective! So, try and think of as-obscure-as-possible answers to be on the safer side.

E.G. If I asked for 3 bars/pubs in Kings Heath: The Hare and Hounds, The Station and The Red Lion would probably be the most obvious. More obscure ones would be: Hop and Scotch, Fletchers, and Grace + James.

1. 3 churches in Moseley- this is the physical buildings, not individual church groups, or church groups within a wider congregation

2. 3 establishments (shop, company, restaurant etc.) that are in both Moseley and Kings Heath

I.e. if there was a Superdrug in Moseley or a Pizza Express in Kings Heath, these would be acceptable answers.

3. 3 primary schools in Kings Heath that have more than one word in their name-

The words: **school, primary, and, junior, infant** don't count

(this includes schools whose websites state their address as Kings Heath, even if they're outside the border)

This is a tough one as there's only 6 correct answers.

4. 3 acts that have headlined any day of the Moseley Folk Festival between 2014-2019

SCORE: /71

Tiebreaker question if you're doing this in groups and need it:

As of the 2011 census, what is combined population of Moseley and Kings Heath? (Closest gets the win!)

The answer is at the very bottom of the last page on the answer sheet (so no looking as you may need it.)
